STATEMENT OF INTENT – THREATENING, ABUSIVE & AGGRESSIVE VISITORS & PARENTS POLICY

The Walsley Denaby Trust encourages all its schools to have close links with parents and the community. We believe that pupils benefit when the relationship between home and school is a positive one. The vast majority of parents, carers and others visiting a school are keen to work with us and are supportive of the school.

However, a tiny minority of parents have a negative attitude towards the school and sometimes, this can result in aggression, verbal and/or physical abuse towards school staff.

When "parent" is referred to in this policy, that also includes carers, relatives, visitors or anyone associated with the School.

When a negative relationship has broken down, we will refer to these situations as incidents and not as a whole. The Trust's Behaviour and Discipline Policy states that the school will not tolerate any form of abuse or aggression towards staff or other visitors.

It is the responsibility of the parent to ensure that their child is not involved in any such incidents.

The school expects its staff to behave professionally in difficult situations and to attempt to defuse the situation. It is not acceptable for staff to be intimidated or threatened in any way. However, all staff have the right, in extreme cases, of using appropriate self-defence.

The school expects parents and other visitors to behave in a reasonable and professional way towards school staff.

This policy will be reviewed and updated as necessary but not more frequently than every 3 years by the Trustees. The policy will be promoted and implemented within each academy.
